# Abhishek Shinde

Senior Software Engineer | Full-Stack Developer | Architecting  
Scalable Cloud-native SaaS Solutions  
Pune, Maharashtra, India

## Summary

I'm a seasoned Senior Software Engineer with a proven track record in architecting and developing scalable SaaS solutions and cloud-native applications. With over 5 years of experience in full-stack development, I leverage modern technologies such as React, Next.js, Node.js, PHP, and Typescript to build high-performance, data-driven products. My expertise spans across DBMS (including Postgres), cloud platforms (AWS, Docker), and DevOps practices, enabling me to design robust systems that meet evolving business needs.
